

Information Bulletin 2013-003 (amended October 18, 2013)

**Health Services Levy and  
Tax Rate**  
To Be Used in Preparing  
2013-2014 Filings

**Health Services Levy**

The New Brunswick Department of Health has advised that the estimated Health Services Levy amount for 2013 is \$28,932,512.64.

The total premiums for Third Party Liability and Accident Benefits for 2012 were \$313,763,000.00.

Therefore, the Health Services Levy rate to be used in the 2013-2014 rate filings is **9.22%**

If you have any concerns or questions regarding any of the above please do not hesitate to call.

**Taxes**

Please see below the federal and provincial tax rates for 2013 - 2014. Companies will be expected to use these numbers for calculating the tax rate in the filings based on the earnings during the effective period of the new policies.

|             |                          |
|-------------|--------------------------|
| Combined:   | 27%                      |
| Federal:    | 15%                      |
| Provincial: | 12% (After July 1, 2013) |

The Provincial tax rate before July 1, 2013 was 10%.
